

SCIENCE FAIR CHECKLIST

What is a science fair?

- ✓ Expands on science class
- ✓ Aids in learning
- ✓ Awards prizes and ribbons

Remember to:

- ✓ Understand the assignment
- ✓ Know the timetable
- ✓ Know the exact date of the science fair

Ideas for science fair projects can be found everywhere:

- ✓ Sports
- ✓ Current events
- ✓ The environment
- ✓ Music

Ask yourself:

- ✓ How can I make something that will do something?
- ✓ How does the thing I'm thinking about work?

Keep your topic:

- ✓ Simple
- ✓ Easy to complete
- ✓ Easy to understand

There are many places that can help in your research:

- ✓ The Internet
- ✓ The school library
- ✓ The local library

Learn your topic:

- ✓ Plan an experiment
- ✓ Make notes on what should and does happen
- ✓ Make a "to do" list

Make a log book:

- ✓ Write down your results
- ✓ Take pictures
- ✓ Organize your notes
- ✓ Describe your results
- ✓ Add charts or graphs

Include:

- ✓ **Pictures**
- ✓ **Diagrams**
- ✓ **Photos**
- ✓ **Text**
- ✓ **Sources**

Describe:

- ✓ **Your objective**
- ✓ **Your reason**
- ✓ **Your method**
- ✓ **Your result**

Make a good impression!

- ✓ **Practice**
- ✓ **Dress for success**
- ✓ **Smile**

...and most important of all

HAVE FUN!
